

**5. PAYMENT FOR THE SERVICES:** Servipark will invoice the Customer monthly for the amount of the Services consumed. Payment for the Services, by way of the Card, is made by credit card. The Customer authorises Servipark to collect the price of the Services by debiting the credit card indicated by the Customer. If they wish to end that authorisation, the Customer must inform Servipark thereof in advance by registered letter. Use of the Card will be suspended in the event of revocation of the authorisation or in the event of refusal of payment by the credit institution. The Customer has access every month to their monthly statement on the secure part of the site [www.pcard.be](http://www.pcard.be) after using their log-in and password.

**6. TERM OF THE CONTRACT:** Notwithstanding the following paragraph, the Contract enters into force on the date of its signature and is concluded for an indefinite term. Each party may terminate it at any time by sending the other party written prior notice of one month by registered letter.

The Contract ends if the Customer does not fulfil their contractual obligations or provides inaccurate information or even in the case of fraudulent or abusive use of the Card, after notice of default sent by registered letter remains unheeded for 15 days. Furthermore, in the case of fraudulent or abusive use, Servipark reserves the right to suspend use of the Card with immediate effect. In that case, it informs the Customer thereof in writing.

**7. RIGHT OF RETRACTION:** The Customer who has concluded the present contract from a distance and for private purposes has a period of 14 days in which to retract, without charge and without having to give grounds. Such retraction period expires 14 days after the date on which the contract was concluded. The decision to retract must be notified to Servipark by unambiguous written declaration, sent either by letter or by fax or by email. The Customer may use the retraction form template appearing [here](#).

The Customer expressly requests to be able to benefit from the Services before the expiry of the retraction period. For that purpose, the Customer agrees that the withdrawal of € 0.01 all taxes included referred to in Article 3 is made immediately. If the Customer retracts during the aforementioned period of 14 days, he agrees to pay for the Services for which he used the Card until the time when he validly informed Servipark of the exercise of his right of retraction. Any balance of the withdrawal of € 0.01 is returned to them.

In the event of retraction, the Customer is obliged to return the Card to Servipark, either by lodging it at Servipark's registered office or by sending it by post to Servipark's registered office, postal costs being borne by the Customer.

**8. APPLICABLE LAW AND COMPETENT TRIBUNALS:** The Contract is governed and interpreted in accordance with Belgian law. Any dispute in relation to its conclusion, its execution and/or its interpretation is within the exclusive competence of the Courts and Tribunals in Brussels.
